

NOW, for the first time . . .

A comprehensive manual of tried and proven wiring techniques — sure to save you countless hours of experimentation.

Over 300 pages
Permanent Cloth Binding — \$25.00

This is the reference guide for which the data processing field has long waited — brought to you now by the editors of DATA PROCESSING Magazine.

This is the one manual that you can put to work immediately — increase the effectiveness of your data processing operations — save valuable personnel time and energy — order your copy today.

USE the WIRING Guide FREE for 30 days.

MORE THAN 100 DIFFERENT WIRING PROCEDURES
